

The New Testament Books Song

Matthew, Mark, and Luke, and John
Were Brothers in the Lord
Acts, and Romans tell us how
To live in one accord
First and Second Corinthians
We see some trouble brewing
Galatians, Ephesians,
Philippians, Colossians
Tell us how they get through it
First and Second Thessalonians
First and Second Timothy
Give us hints when Jesus will
return for you and me
Titus, Philemon, Hebrews, and James
First and Second Peter, his is a common name
Then finally John One, Two, Three
Then Jude. and Revelation
You've learned the books, now I must say,
"Congratulations!"
